

Information about your debtor: strongly recommended!

check your partners before they become your debtors.

We have restructured and adjusted our tariffs for obtaining business information:

In case of debt collection and court proceedings in Germany it is always important to dispose of information about the business and financial situation of the debtor (company). You can find a table with our offers below. All following information are related only to Germans and German companies, registered in Germany.

We cooperate with Germany's leading credit services, in particular Creditreform, SCHUFA etc.

In any case, we recommend steps 1. and 2., as a total price: 40 EUR

The check of active business of the debtor (f.i. phone calls, fax), etc. is **free of charge**
